WELCOME LETTER

Welcome to...

ICOI World Congress XXXII in Berlin, Germany

Dear Friends and Colleagues,

On behalf of the ICOI, DGOI and BDIZ EDI, we would like to welcome you to a unique World Congress. For the first time, the ICOI will join hands with two German Societies, the Deutsche Gesellschaft für Orale Implantologie (DGOI) and the Bundesverband Der Implantologisch Tätigen Zahnärzte (BDIZ EDI) in Europa E.V. as we present ICOI World Congress XXXII in the German capital, Berlin. The Congress will be held October 15-17, 2015 at the Maritim Hotel Berlin in the heart of this bustling city. Berlin has become more than just the capital, it now represents the focal point of European culture, education and industry.

Our faculty for this Congress brings together clinicians and academicians from around the world as they present the latest in dental implantology on topics from soft tissue applications around implants, growth factors in surgical healing, treatment of periimplantitis, digital communication skills for minimally invasive surgery and much more.

On Thursday, October 15th, we will begin with a four-hour Young Implantologists Program, followed by several Pre-Congress courses by our sponsors, all of which are no charge. Delegates will want to take advantage of what is new on the horizon as presented by our “up and coming” young implantologists.

The Congress Social Schedule will include our customary Welcome Reception on Thursday evening and will feature a Gala Dinner on Friday night with musical entertainment guaranteed to get you on the dance floor.

Please join us for this three-day educational and social event in an unforgettable city... Berlin.

Best regards from your program committee,

POSTER PRESENTATIONS

Thursday, October 15, 2015 | 6:00 pm – 7:30 pm

You don't have to be a Main Podium speaker to participate in our ICOI World Congress XXXII. Why not plan a Poster Presentation? A "proven training ground" for future and current Main Podium speakers, the very popular Poster competition will be held in tandem with our Welcome Reception in the Exhibition Hall on Thursday from 6:00 to 7:30 pm. It allows presenters to interact with colleagues in a social, yet instructive manner. Poster presentations should display a challenging case in a limited time format, i.e. 5-7 minutes, so that the case can be repeated as new observers gather. The posters will be placed (tacked or taped) on boards at the beginning of the symposium and will remain on display throughout the symposium. Presentations will be judged, with the winners receiving awards and main podium consideration for future ICOI meetings.

REMEMBER, ALL FELLOWS, MASTERS AND DIPLOMATES WHO CONDUCT POSTER PRESENTATIONS HELP FULFILL THEIR FIVE-YEAR MAINTENANCE REQUIREMENTS.

Parties interested in conducting a Poster Presentation must contact the Chairs for this competition, Dr. Avi Schetritt and Dr. Werner Stermann, to request an application.

Requests must be submitted by August 1, 2015.

Dr. Avi Schetritt – Email: dravi@perio.org

Dr. Werner Stermann – Email: werner.stermann@t-online.de
