# WELCOME TO THE ICOI WINTER IMPLANT SYMPOSIUM IN HOUSTON, TEXAS

---

*Dear Colleagues,*

*Welcome to Houston, Texas, America's fourth-largest city. Houston is a cosmopolitan destination, filled with world-class dining, arts, hotels, shopping and nightlife. As you will see, the Marriott Marquis Houston is ideally located in the vibrant downtown district overlooking Discovery Green Park and is just minutes from Minute Maid Park and the Toyota Center.*

*The 3-day ICOI Winter Implant Symposium will kick-off on Thursday morning with several pre-symposium half-day lectures and hands-on workshops. This will be followed by the popular "Young Implantologists Program", which will include a wide array of pertinent topics from some of the up and coming Implantologists in our field.*

*On Thursday evening, the Welcome Reception will be a forum for poster presentations and table clinics with valuable new concepts and information in the field of oral implantology.*

*Our main podium scientific session lectures will continue on Friday morning with a stellar line-up of world class speakers focusing on the future trends in Oral Implantology and prevention of dental implant complications. These scientific sessions will offer the attendee the latest scientific and research-based information on important topics that may be immediately incorporated into clinical practice.*

*Additionally, there will be a multi-day auxiliary program for your team, complete with four certification programs.*

*So, we look forward to seeing you at the ICOI Winter Implant Symposium 2020, which is set to become one of the best meetings of the year. We encourage you to bring your family, staff, and colleagues to the high-energy city of Houston, Texas*

*Warmest Regards,*

*Randolph R. Resnik, DMD, MDS,  
Scientific Program Chairman*

**For more information and registration visit [www.icoi.org](http://www.icoi.org)**

# MISSION STATEMENT

## “FUTURE TRENDS IN ORAL IMPLANTOLOGY”

The mission of the ICOI Winter Implant Symposium is to provide attendees with a comprehensive and scientific overview of the future of Oral Implantology. The Symposium will address a wide range of concepts and philosophies related to the surgical, prosthetic, and maintenance phases of Oral Implantology. The diversified list of speakers will aid the clinician in obtaining a strong understanding of the various factors that go into executing successful implant cases for long-term success.

## LEARNING OBJECTIVES

Upon completion of this Symposium attendees will:

- Comprehend the latest scientific literature relating the treatment planning phase of dental implants
- Understand the importance of the dental implant pre-treatment factors (i.e. medical evaluation, radiographic evaluation, pharmacologic intervention) that affect success rates
- Understand the etiologic factors that directly and indirectly influence the morbidity of dental implants
- Gain an understanding of new prosthetic materials that are available in implant dentistry today as well as their limitations
- Prevent esthetic and functional complications related to prosthetic design and occlusion principles

## ACCREDITATION

ICOI designates the Scientific Program for 20 continuing education credits. All Scientific Session presentations are lecture format and qualify for AGD Subject Code 690 Implant.

**ADA CERP®** | Continuing Education Recognition Program

ICOI is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about CE provider may be directed to the provider or to ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp).

ICOI is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from April 1, 2018 to March 31, 2021. Provider ID# 217378.

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# SPEAKERS

## MAIN PODIUM FACULTY

### DR. STEPHEN CALDWELL

Periodontist  
El Paso, Texas

### DR. JOSEPH CILLO, JR.

Oral & Maxillofacial Surgeon  
Pittsburgh, Pennsylvania

### DR. JOHN CONNESS

General Practitioner  
Ottawa, Illinois

### DR. FRANK DELUCA

General Practitioner,  
Attorney  
Hollywood, Florida

### DR. DAVID DONATELLI

Prosthodontist  
Hatboro, Pennsylvania

### DR. ALDO LEOPARDI

Prosthodontist  
Greenwood Village, Colorado

### DR. YAHYA MANSOUR

General Practitioner  
Fort Worth, Texas

### DR. CLAUDIO MIRO

General Practitioner  
Miami, Florida

### DR. CYNDI NGUYEN

Oral & Maxillofacial Surgeon  
Penn Valley, Pennsylvania

### DR. ADY PALTÍ

General Practitioner  
Baden Baden, Germany

### DR. MICHAEL PRUETT

General Practitioner  
Martinez, Georgia

### DR. RANDOLPH RESNIK

Prosthodontist  
Venetia, Pennsylvania

### DR. ALEJANDRO SOSA

Prosthodontist  
El Paso, Texas

### DR. TOM SPALLA

Prof. Cooper Medical School  
of Rowan University  
Penn Valley, Pennsylvania

### DR. PAUL WEIGL

Associate Professor of Dental  
Medicine at Goethe University  
Frankfurt, Germany

## YOUNG IMPLANTOLOGISTS

### DR. GREG CALDWELL

Periodontist  
El Paso, Texas

### DR. MOHAMED ELGHANNAM

Oral & Maxillofacial Surgeon  
Nottingham, Maryland

### DR. GIUSEPPE GRASSO

Periodontist, Prof. NYU  
Rome, Italy

### DR. INÉS FERNÁNDEZ GUALLART

General Practitioner,  
Endodontist  
New York, New York

### DR. ANA LOPES

Oral & Maxillofacial Surgeon  
Lisbon, Portugal

### DR. STUTI MUCHHALA

General Practitioner  
Mumbai, India

### DR. CHRISTOPHER RESNIK

Prosthodontist  
Philadelphia, Pennsylvania

### DR. AMANDA SHEEHAN

General Practitioner  
Waterford, Michigan

# PRE-SYMPOSIUM COURSES

Thursday, February 27, 2020 • 8:00 am – 12:00 pm

Sponsored by:  **GLIDEWELL DENTAL**

Fee: Gratis      AGD Code: 690  
Attendance is Limited

## **DR. RANDOLPH RESNIK** ***35th Year Anniversary Lecture Misch Reunion***

### **Tribute to the Life of Dr. Carl Misch**

The Latest And Greatest: Current Hot Topics and Protocols in Implant Dentistry

- Latest Socket Graft Protocols
- Osseodensification
- Immediate Placement Protocols
- Immediate Loading Technique
- Bone Growth Factors
- Full Arch Zirconia Prosthesis
- Stackable Surgical Template Techniques
- Peri Implant Disease (Detoxification and Grafting Techniques)

This course will encompass the most up-to-date technology, protocols, and techniques in the surgical, prosthetic, and maintenance phases of implant dentistry. Surgical topics will include updated socket grafting techniques, osseodensification based implant placement protocols, immediate placement and ridge augmentation techniques. The prosthetic section will include an overview of new implant restorative materials with an emphasis on immediate loaded and zirconia prostheses. The maintenance phase will include the recent literature-based protocols on the treatment of peri-implant disease.

### **Course Objectives**

Upon completion of this course, attendees wil:

- Understand the latest step-by-step protocols in surgical implant dentistry
- Understand the advantages and disadvantages of the newest restorative materials and techniques in prosthetic implant dentistry
- Learn the literature-based protocols on the detoxification and treatment of compromised implants

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# PRE-SYMPOSIUM COURSES

Thursday, February 27, 2020 • 8:00 am – 12:00 pm

Sponsored by:  **IMPLADENT LTD**  
REGENERATIVE SOLUTIONS

Fee: Gratis      AGD Code: 690  
Attendance is Limited

## DRS. TIMOTHY KOSINSKI AND ROBERT MILLER

### ***One-step Alveolar Ridge Socket Preservation without the Need of a Membrane, Plus Advanced Surgical Implant Concepts in Bone Regeneration***

From simple and cost-effective socket grafting to more advanced clinical concepts in bone regeneration, this course covers a spectrum of pliable preformed shapes used for bone grafting procedures for implant placement. Surgical techniques and novel biomaterials will be discussed using Synthetic Bioactive Resorbable Calcium Apatite crystals as a collagen composite material to include the resorbable OsteoGen® Bone Grafting Plugs and Strips. The scientific and biologic basis of growth factor utilization in bone and soft tissue applications will be reviewed using L-PRF technology combined with the OsteoGen® Plugs and Strips.

### **Course Objectives**

Upon completion of this course, attendees will be able to:

- Demonstrate simple, predictable, and cost-effective socket grafting techniques without the use of a membrane using the OsteoGen® Bone Grafting Plugs, and Strips for implant defects
- Review additional surgical applications covering post-extraction grafting around immediate implant placement including filling interproximal and facial gaps after extraction
- Discuss the scientific and biological basis of growth factor utilization in bone and soft tissue grafting applications

---

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# PRE-SYMPOSIUM COURSES *Continued*

Thursday, February 27, 2020 • 8:00 am – 12:00 pm

Sponsored by:

Fee: Gratis      AGD Code: 690  
Hands-on Course, Attendance is Limited

## DR. AVI SCHETRITT

### ***Extraction Socket Grafting for Implant Site Development***

The long-term success of dental implants is often dependent on the quality and quantity of bone available for implant placement. Extraction socket grafting is a crucial step in implant site development and often reduces the need for additional bone grafting procedures. This course will review the step by step procedure for predictable extraction socket grafting. Selection of the appropriate bone graft material and membrane will also be discussed. The hands-on portion of the course will allow attendees to practice and master the technique.

### **Course Objectives**

Upon completion of this course, attendees will:

- Understand extraction socket wound healing
- Understand the differences between bone graft materials and their indications
- Understand the differences between regenerative membranes and their indications
- Gain hands-on experience of socket grafting techniques

---

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# YOUNG IMPLANTOLOGISTS

**THURSDAY, FEBRUARY 27, 2020 • Afternoon Session**

**All Attendees (Practitioners & Auxiliaries)**

**SESSION HOST: Dr. Neil Park**

- 12:45 pm to 1:00 pm **OPENING COMMENTS**
- 1:00 pm to 1:30 pm **DR. GREG CALDWELL**  
How to Implement Intraoral Scanning, Digital Implant Treatment Planning, and 3D Printed Surgical Guide Fabrication In Your Surgical Practice
- 1:30 pm to 2:00 pm **DR. MOHAMED ELGHANNAM**  
Immediate Implant Placement
- 2:00 pm to 2:30 pm **DR. CHRISTOPHER RESNIK**  
Techniques in Evaluating the Stability of Dental Implants
- 2:30 pm to 3:00 pm **DR. GUISEPPE GRASSO**  
Minimally Invasive Surgery in Implant Dentistry: Is it an Important Key to Achieve an Aesthetic Result?
- 3:00 pm to 3:45 pm **BREAK WITH EXHIBITORS**
- 3:45 pm to 4:15 pm **DR. INÉS FERNÁNDEZ GUALLART**  
Various Factors Influencing Successful Maxillary Sinus Augmentation
- 4:15 pm to 4:45 pm **DR. AMANDA SHEEHAN**  
The Use of Neurotoxins in Implant Dentistry
- 4:45 pm to 5:15 pm **DR. ANA LOPES**  
Surgical All-on-4 Protocol - Standard and Hybrid
- 5:15 pm to 5:45 pm **DR. STUTI MUCHHALA**  
New Customized Ridge Split Technique for Anterior Esthetic Area
- 6:00 pm to 7:30 pm **TABLETOP & POSTER PRESENTATIONS AND WELCOME RECEPTION**

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# SCIENTIFIC PROGRAM

## FRIDAY, FEBRUARY 28, 2020 • Morning Session

**SESSION HOST: Dr. Peter Patellis**

8:00 am to 9:00 am

**DR. RANDOLPH RESNIK**

The Treatment of the Posterior Maxilla: Short Implants vs. Crestal Bone Grafting vs. Lateral Protocols

9:00 am to 10:00 am

**DR. STEPHEN CALDWELL**

Incorporation of CBCT/Digital Imaging into Advanced Implant/Restorative Treatment Planning and Surgical Execution

10:00 am to 10:30 am

**BREAK WITH EXHIBITORS**

10:30 am to 11:30 am

**DR. JOHN CONNESS**

Stackable Surgical and Prosthetic Guides: A New Protocol for Fully Guided, Immediate Load Full-Arch Dental Implant Reconstruction

11:30 am to 12:30 pm

**DR. ALEJANDRO SOSA**

Digital Smile Planning - Its Role in Treatment Planning and Implant Placement

## FRIDAY, FEBRUARY 28, 2020 • Afternoon Session

**SESSION HOST: Dr. Stephen Caldwell**

12:30 pm to 1:30 pm

**LUNCH WITH EXHIBITORS**

1:30 pm to 2:30 pm

**DR. MICHAEL PRUETT**

Implant Placement and Provisionalization: The New Trends

2:30 pm to 3:30 pm

**DR. ALDO LEOPARDI**

Aesthetic Zone Clinical Realities: Regenerative Approaches versus Prosthetic Equivalents

3:30 pm to 4:15 pm

**BREAK WITH EXHIBITORS**

4:15 pm to 5:15 pm

**DR. FRANK DELUCA**

Emerging Legal Theories in Dental Litigation

5:15 pm to 6:15 pm

**DR. DAVID DONATELLI**

Avoiding Prosthetic Complications with Full-Arch Immediate-Load Prostheses

7:00 pm to 8:00 pm

**AWARDS CEREMONY**

8:00 pm to 12:00 am

**GALA DINNER**

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# SCIENTIFIC PROGRAM *Continued*

## SATURDAY, FEBRUARY 29, 2020 • Morning Session

**SESSION HOST: Dr. Rick Robinette**

8:00 am to 9:00 am

**DR. JOSEPH CILLO, JR.**

Influence of Novel Systemic Medications on Osseointegration

9:00 am to 10:00 am

**DR. ADY PALTÍ**

Implementing Digital Solutions in Implant Dentistry

10:00 am to 10:30 am

**BREAK WITH EXHIBITORS**

10:30 am to 11:30 am

**DR. CYNDI NGUYEN**

The Prevention & Management of Nerve and Arterial Injuries in Implant Dentistry

11:30 am to 12:30 pm

**DR. TOM SPALLA**

Sinusitis: Implications for Oral Surgery

## SATURDAY, FEBRUARY 29, 2020 • Afternoon Session

**SESSION HOST: Dr. John Shoemaker**

12:30 pm to 1:30 pm

**LUNCH WITH EXHIBITORS**

1:30 pm to 2:30 pm

**DR. YAHYA MANSOUR**

It's Complicated: Avoiding, Managing, and Fixing Complications in Implantology

2:30 pm to 3:30 pm

**DR. FRANK ZASTROW**

Biological Bone Augmentation: What are the Basics, Where are the Limitations

3:30 pm to 4:15 pm

**BREAK WITH EXHIBITORS**

4:15 pm to 5:15 pm

**DR. CLAUDIO MIRO**

Most Common Mistakes Made in Implant Dentistry and How to Prevent Them

5:15 pm to 6:15 pm

**DR. PAUL WEIGL**

The Unstoppable Trend: Immediate Implant Placement and Single Crown Restoration Enabled by a Progressive Thread Design

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# AUXILIARY PROGRAM

## MISSION STATEMENT

The mission of the ADIA program at the ICOI Winter Implant Symposium 2020 is to provide attendees with the most up to date and clinically relevant dental implant education that will enhance their knowledge and value to the dental implant team. The main podium sessions will include a review long term implant care and maintenance, review an interdisciplinary approach to implant dentistry and learn strategies to build a thriving implant practice.

## LEARNING OBJECTIVES

Upon completion of this symposium attendees will:

- Understand how to achieve long term implant survival
- Understand the goals and strategies of implant maintenance
- Understand and be able to implement an interdisciplinary approach to implant dentistry
- Understand and be able to implement strategies to build a thriving implant practice

*The 2½ day program is applicable for 20 CEUs.*

## THURSDAY, FEBRUARY 27, 2020 • Afternoon Session All Attendees (Practitioners & Auxiliaries)

**SESSION HOST:** Dr. Neil Park

12:45 pm to 1:00 pm

**OPENING COMMENTS**

1:00 pm to 1:30 pm

**DR. GREG CALDWELL:** How to Implement Intraoral Scanning, Digital Implant Treatment Planning, and 3D Printed Surgical Guide Fabrication In Your Surgical Practice

1:30 pm to 2:00 pm

**DR. MOHAMED ELGHANNAM:** Immediate Implant Placement

2:00 pm to 2:30 pm

**DR. CHRISTOPHER RESNIK:** Techniques in Evaluating the Stability of Dental Implants

2:30 pm to 3:00 pm

**DR. GUISEPPE GRASSO:** Minimally Invasive Surgery in Implant Dentistry: Is it an Important Key to Achieve an Aesthetic Result?

3:00 pm to 3:45 pm

**BREAK WITH EXHIBITORS**

3:45 pm to 4:15 pm

**DR. INÉS FERNÁNDEZ GUALLART:** Various Factors Influencing Successful Maxillary Sinus Augmentation

4:15 pm to 4:45 pm

**DR. AMANDA SHEEHAN:** The Use of Neurotoxins in Implant Dentistry

4:45 pm to 5:15 pm

**DR. ANA LOPES:** Surgical All-on-4 Protocol - Standard and Hybrid

5:15 pm to 5:45 pm

**DR. STUTI MUCHHALA:** New Customized Ridge Split Technique for Anterior Esthetic Area

6:00 pm to 7:30 pm

**TABLETOP & POSTER PRESENTATIONS AND WELCOME RECEPTION**

For more information and registration visit [www.icoi.org](http://www.icoi.org)

# AUXILIARY PROGRAM *Continued*

## ADIA TABLE CLINICS SESSION

Thursday, February 27, 2020 • 6:00 pm – 7:30 pm

The ADIA is pleased to announce that it will once again host an ADIA Table Clinics Session at the ICOI Winter Implant Symposium in Houston, TX. Table Clinics are 5-10 minute presentations given via laptop and presented multiple times throughout the session. They are an excellent way of sharing your knowledge and experience with your peers and are part of the requirements for Fellowship credentialing. The winner of the table clinic session will receive a complimentary one year ADIA membership, one complimentary auxiliary registration to a future ICOI/ADIA sponsored symposium, an award plaque and consideration for the ADIA main podium. The ADIA Table Clinics Session will take place during the Tabletop & Poster Presentations and Welcome Reception.

For more information or to request an application, interested parties should contact Dr. Avi Schetritt, Table Clinic Chair via email at [dravi@comcast.net](mailto:dravi@comcast.net).

***Completed applications must be submitted by January 17, 2020.***

## FRIDAY, FEBRUARY 28, 2020

8:00 am to 10:00 am	<b>MICHELLE STRANGE</b> Periodontal and Implant Health: Is a Scaler Really What We Need?
10:00 am to 10:30 am	<b>BREAK WITH EXHIBITORS</b>
10:30 am to 12:30 pm	<b>TRACY BUTLER</b> Titanium REVolution: An Interdisciplinary Team Approach to Implant Dentistry
12:30 pm to 1:30 pm	<b>LUNCH WITH EXHIBITORS</b>
1:30 pm to 3:30 pm	<b>ANNALOUISE TOLAN</b> Implant Survival: It's in Your Hands!
3:30 pm to 4:15 pm	<b>BREAK WITH EXHIBITORS</b>
4:15 pm to 6:15 pm	<b>DEBBIE SEIDEL-BITTKE</b> A Team Approach to Turbocharge Your Implant and Adjunctive Cases
7:00 pm to 8:00 pm	<b>AWARDS CEREMONY</b>
8:00 pm to 12:00 am	<b>GALA DINNER</b>

*The ADIA has gone "Green" and will no longer provide printed handouts for participants at meetings. ADIA pre-registered participants will receive an email with a password to access the ADIA website in order to print the handouts themselves. Handouts will be available on the website 2 weeks prior to each meeting and for 3 weeks after. It is important that all ADIA registrants provide their email address to the main ICOI office at [icoi@dentalimplants.com](mailto:icoi@dentalimplants.com). For onsite registrants, the ADIA web address and password will be provided in the registration packet. In this way, on site registrants can print the handouts at their hotel or wait until after the meeting.*

**For more information and registration visit [www.icoi.org](http://www.icoi.org)**

# ADIA CERTIFICATION COURSES

Please Choose One Program.

Programs are conducted simultaneously in 4 different rooms.

**SATURDAY, FEBRUARY 29, 2020 • 8:00 am to 6:00 pm**

## **ADIA DENTAL HYGIENE CERTIFICATION PROGRAM (DHCP)©**

**Yva Khalil**

Registered dental hygienists are at the forefront of long term implant success. As healthcare professionals, they are an integral part of the dental implant team providing indispensable oral hygiene therapy, educating patients and implementing clinical protocols. The DHCP provides evidence based training in co-diagnosis, treatment planning and patient assessment. The program will provide attendees with the most current protocols for assessing clinical parameters and techniques for the long-term maintenance and success of dental implants. The different types of implant restorations and the elaboration of patient specific hygiene protocols will also be discussed. Completion of the DHCP will provide the attendees with the knowledge and confidence to provide their patients with the ultimate care in implant maintenance.

## **ADIA DENTAL ASSISTING CERTIFICATION PROGRAM (DACP)©**

**Kathi Carlson and Gayle Banic**

Implant dentistry often involves long and complex procedures which sometimes create anxiety for patients. An effective implant assistant must not only set up for the procedure but also monitors the doctor's and the patient's needs throughout the procedure. A well-trained dental implant assistant is crucial to the smooth operation of the implant procedure and also ensures the patient's comfort and well-being. The DACP provides an in-depth education in surgical and prosthetic procedures, armamentarium, infection control, biologics and laboratory procedures. Completion of the DACP will empower attendees with the knowledge and confidence to be an indispensable member of the dental implant team and provide their doctors and patients with the ultimate implant experience.

## **ADIA PRACTICE MANAGEMENT CERTIFICATION PROGRAM (PMCP)©**

**Leslie Icenogle**

The smooth operation of a dental implant practice requires a strong and organized leader. A well-trained and educated practice manager is essential to the health and growth of a practice. The practice manager oversees the daily operation of the practice and must also lead the practice in a direction that will increase profitability and reduce stress. The PMCP will review and discuss creating an office culture, effective communication, conflict resolution, internal and external marketing, tracking productivity and profitability as well as scheduling protocols. Completion of the PMCP will empower attendees with the knowledge and confidence as well as the techniques and protocols to successfully create a cohesive happy team, oversee a practice and assure its continued stress-free operation and growth.

## **ADIA IMPLANT COORDINATOR CERTIFICATION PROGRAM (ICCP)©**

**Karen Young**

Dental implants are one of the most successful treatment modalities in dentistry and the demand for dental implants is growing exponentially. In order to successfully grow an implant practice however, a well-trained implant coordinator is indispensable. Once the doctor has diagnosed and treatment planned the patient, the implant coordinator holds the patient's hand through the entire dental implant process acting as their advocate. The implant coordinator will educate the patient, explain in detail every step of the procedures, review and complete all consent forms and financial arrangements and oversee the case to completion. The ICCP provides an in-depth education in surgical and prosthetic procedures, case presentation, communication skills and the oversight of all phases of an evolving implant case. Completion of the ICCP will empower attendees with the knowledge and confidence to provide their patients with the ultimate implant care while successfully growing an implant practice.

10:00 am to 10:30 am **BREAK**    12:30 pm to 1:30 pm **LUNCH**

3:30 pm to 4:00 pm **BREAK**

**For more information and registration visit [www.icoi.org](http://www.icoi.org)**

# GENERAL INFORMATION

---

## HOTEL INFORMATION

The Marriott Marquis Houston is the host hotel for the ICOI Winter Implant Symposium 2020. Be sure to check out the lazy river, which is in the shape of Texas, as well as the six restaurants, bars, lounges and the full-service spa on site. It is also within walking distance to upscale shopping and other popular attractions.

In order to receive the discounted room rate of \$279, reservations must be made by January 27, 2020. You can reach the Marriott Marquis Houston by calling (713) 654-1777

Don't forget to mention that you are a delegate to the 2020 ICOI Winter Implant Symposium.

---

## TABLETOP AND POSTER PRESENTATIONS

**Thursday, February 27, 2020 • 6:00 pm – 7:30 pm**

You don't have to be a Main Podium speaker to participate in our congress. Why not plan to present a Tabletop and/or Poster presentation? A "proven training ground" for future and current Main Podium speakers, the very popular Tabletop and Poster competition will be held in tandem with our Welcome Reception in the Exhibit Hall on Thursday from 6:00 to 7:30 pm. It allows presenters to interact with colleagues in a social, yet instructive manner. Tabletop and Poster presentations should display a challenging case or concept in a limited time format, i.e. 5-7 minutes, so that the case can be repeated as new observers gather. Poster presentations will be placed (tacked or taped) on boards at the beginning of the congress and will remain on display throughout the congress. Poster presenters should be at their posters to answer inquiries during the Welcome Reception. All presentations will be judged, with the winners receiving awards and main podium consideration for future ICOI meetings.

**REMEMBER, ALL FELLOWS, MASTERS AND DIPLOMATES WHO CONDUCT TABLETOP OR POSTER PRESENTATIONS HELP FULFILL THEIR FIVE-YEAR MAINTENANCE REQUIREMENTS.**

Parties interested in conducting a Tabletop and/or Poster presentation must contact the Chair for this competition, Dr. Avi Schetritt, to request an application.

***Completed applications must be submitted by January 17, 2020.***

**Dr. Avi Schetritt – Email: [dravi@comcast.net](mailto:dravi@comcast.net)**

**For more information and registration visit [www.icoi.org](http://www.icoi.org)**

# SOCIAL SCHEDULE

---

## WELCOME RECEPTION WITH EXHIBITORS

**Thursday, February 27, 2020 • 6:00 pm – 7:30 pm**

Our Welcome Reception in the Exhibit Hall follows the afternoon session of the congress and allows for delegates to relax with drinks and hor d'oeuvres, socialize with colleagues, take advantage of product discounts being offered at the meeting by our exhibitors and to experience and discuss presentations made by our Tabletop and Poster participants. This aspect of the Welcome Reception continues to be a favorite amongst our attendees.

---

## DIPLOMATE/MASTERSHIP/FELLOWSHIP AWARDS CEREMONY

**Friday, February 28, 2020 • 7:00 pm to 8:00 pm**

The Advanced Credentialing Awards ceremony will be held at the Marriott Marquis Houston and will celebrate our newest class of ICOI Diplomates, Masters, Fellows and ADIA Fellows. Attendance at this social event has grown tremendously, as our members have achieved their advanced credentials. It provides an opportunity for family, staff and other ICOI members to celebrate as we toast our newest credentialed members. Please indicate on the registration form the number of guests in your party. Dress is business attire.

---

## GALA DINNER

**Friday, February 28, 2020 • 8:00 pm to 12:00 am**

Join us Friday evening at the Houston Museum of Natural Science for an evening among our prehistoric predecessors. There will be dancing, dining and cocktails. Tickets for the gala are \$150 USD. Please order your tickets early on the registration form as our Galas typically sell out well before the event.

If you are planning to bring a spouse or companion, please complete the Accompanying Persons section of the registration form. A modest fee of \$150 will provide your spouse or companion with admission to the Welcome Reception on Thursday evening as well as coffee breaks and luncheons with the delegates in the Exhibit Hall. It does not include admission to the General Session or Auxiliary Programs.

**For more information and registration visit [www.icoi.org](http://www.icoi.org)**

# SPECIAL DISCOUNTS

## SKYTEAM – AIRLINE DISCOUNTS

ICOI has partnered with SkyTeam to offer exclusive discounts of up to 15% on all SkyTeam airlines serving 1,057 destinations in 179 countries.

Visit [www.skyteam.com/globalmeetings](http://www.skyteam.com/globalmeetings).  
Click on “Attend your event” and enter our unique event code: 4016S

## SPACE CENTER HOUSTON

### Special Discount for ICOI Attendees

Space Center Houston is a leading science and space exploration learning center. As an ICOI symposium attendee, you can save up to 40% off on general admission tickets using promo code: ICOI2020. Enter the promo code when purchasing tickets, to get the discounted rate.
