

International Congress of Oral Implantologists

EMPOWERING IMPLANT TEAMS

with Education Worldwide

www.ICOI.org • (800) 442-0525

“E-learning is an adjunct to our traditional publications and multiple global symposia. ICOI members are kept up-to-date with current trends, technology and other areas critical to implant dentistry. An exclusive Members Only access to many implant dentistry articles, monthly and archived webinars, shared knowledge via clinical updates & “pearls”, professional resources that aid practices and enhance education are at your fingertips. Quality online knowledge increases case acceptance and potential patients can locate ICOI members and link to their practices. “

*Kenneth W. M. Judy,
DDS, Chairman,
ICOI*

International Congress of Oral Implantologists (ICOI) founded in 1972, is the world's largest professional organization dedicated to implant dentistry. Our membership includes general dentists, oral & maxillofacial surgeons, periodontists, prosthodontists, endodontists, orthodontists, laboratory technicians and others interested in the field of implant dentistry. ICOI empowers implant teams with comprehensive technical and patient education worldwide. Currently we represent over 15,000 dentists worldwide and have multiple worldwide annual symposia with discounted rates for members. ICOI's primary mission has always been to globally educate all implant team members with the highest quality of practical and scientific education... be it prosthetic, surgical, technical or team education.

COMPREHENSIVE IMPLANT EDUCATION FOR ALL

Advance your skills, and remain on the cutting edge of implant dentistry:

- Webinars, online resources, publications – online and mobile
- National and International Symposia
- Digital Implant Glossary
- Animations to educate patients in your practice
- Free online education via ICOI's Preferred Partners
- Credentials that distinguish your practice
- ICOI helps recognize Dedication, Qualifications, Training & Experience
- Invaluable Patient and Professional Education – www.dentalimplants.com
 - ▶ Features videos, Q & A's, a valuable link for patients to contact your practice
 - ▶ Quality patient knowledge increases acceptance
 - ▶ Professional resources to aid practices and enhance education

**ICOI's Advanced Credentials Commission
has credentialed more than 10,000 Fellows, Masters
and Diplomates worldwide.**

Proven Results: ICOI is the world's largest implant education organization & the world's largest provider of continuing dental implant education. ICOI makes surgical and prosthetic advancements and techniques easily accessible resulting in increased patient acceptance, more referrals, and practice growth all while continuing to add member benefits annually.

ICOI: An interactive society open to all General Dentists, Oral & Maxillofacial Surgeons, Periodontists, Prosthodontists, Endodontists, Orthodontists, Assistants, Hygienists, Office Management, Laboratory Technicians, Academicians, Students, Industry Personnel and Patients.

Restorative Practitioners: ICOI is the original and remains the only implant organization committed to prosthetic implant education. ICOI believes that Implant Dentistry is a prosthetic discipline with a surgical component. We provide the knowledge and resources to enhance your practice goals and aspirations as well as add value for your patients.

Surgical Practitioners: ICOI recognizes your need for continuous updates in surgical technology, innovative techniques and their clinical applications. We also provide assistance and communication tools to elevate and increase the success of the team approach.

Laboratory Technicians: Technicians and dentists are joined together to elevate implant prosthetic standards, skills and techniques. If you are committed to enhancing your knowledge, you will feel at home as an ICOI member united with others by common beliefs.

Auxiliaries: ICOI's component society, the Association of Dental Implant Auxiliaries (ADIA), is dedicated to continuing education and certification for all office management and clinical team members. Communication and cooperation between all inter-office and referral team members is paramount.

Patient Education: Accurate, high quality and online public education translates to increased acceptance, practice growth and enhanced patient-office communication preventing miscommunication.

“It is not only important to have extensive training during an early learning curve in implant dentistry, but also on-going and accessible education is extremely critical during an entire career. This is necessary for all members of the implant team (specialists, generalists, assistants, hygienists, dental technicians and...even patients).”

*Carl E. Misch,
DDS, MDS*

ICOI Membership Benefits Enrich Your Implant Education

MULTIPLE Local, National, & International SYMPOSIA

- World Class Speakers
- Member Discounts
- Hands-on Courses
- Auxiliary Training & Certification Programs
- Table Clinic/Poster Case Presentations

FREE for ICOI Members!

Dental Implant Videos for Your Website

In an effort to help our members engage patients and grow their practices, the International Congress of Oral Implantologists is introducing a new benefit for ICOI member dentists: Personalized patient-education videos produced by Dear Doctor Inc. Each video explores the exciting and beneficial technology of dental implants in easy-to-understand terminology. Best of all, these videos are free to you as an ICOI member!

The videos include:

- Dental Implants — High-Tech Teeth
- How to Choose an Implant Dentist
- Are You a Candidate for Dental Implants?
- Dental Implant FAQs
- Consequences of Missing Teeth

Also a new series of Animations are now available to all ICOI members who pay full dues.

"All general practitioners, their practices, teams and patients can benefit tremendously from ICOI's unique educational updates, webinars, and meetings. ICOI's education in all areas of implant dentistry is unique and essential to the continued growth of Implantology and the delivery of excellent oral care to the public."

Dr. Gordon Christensen, ICOI Diplomate

DISTINGUISH YOURSELF THROUGH ICOI CREDENTIALS

Applying for credentials symbolizes recognition of your dedication, qualifications, your implant training, and experience to your colleagues and potential implant patients!

ICOI has three voluntary credentialing programs:

ICOI Fellowship

ICOI Mastership

ICOI Certified Diplomate

The Advanced Credentials Committee carefully developed the ICOI's three credentialing levels. The ICOI Credentials requirements "raise the bar" so that we may establish a "common certification program" for all implant dentists around the world who wish to participate in voluntary recognition programs. The different levels of membership in the ICOI, the pre-requisite conditions, applicant criteria and requirements with detailed instructions, applications and documentation forms at each level are all available online at www.icoi.org. Additionally, there is a case documentation form that will assist candidates in presenting uniformly documented cases.

"The half life of our non core implant educational material is less than 3 years. As a result, it is imperative that implant education be an ongoing journey. The ICOI is the world's largest provider of continuing dental implant education and an excellent venue to advance your skills and help you remain on the cutting edge".

*Michael A. Pikos,
DDS*

ASSOCIATION OF DENTAL IMPLANT AUXILIARIES is a component society of the International Congress of Oral Implantologists. As the number of dental implant practices in the world grows and develops, there is a need for auxiliaries to do the same. A goal of our association is to introduce education related to implants into your practice or increase your implant practice as a "team." The main purpose of the ADIA is to develop educational criteria and training for certification and to provide an organized vehicle for auxiliaries to contribute to the field of oral implantology/implant dentistry.

**PLEASE LIST OTHER PROFESSIONAL SOCIETIES OF WHICH YOU ARE CURRENTLY A MEMBER.
