ICOI RESEARCH & EDUCATION FOUNDATION

Accepting Grant Applications for Research & Education in Implant Dentistry

Objective: To encourage individuals, who, through basic research or educational initiatives in the field of implant dentistry, contribute to the advancement of the profession and the oral health of the world community.

Award and Recognition: IDREF will provide \$25,000 in seed grants in 2018. Awardees will be announced at an ICOI symposium and published in ICOI's World News.

Sponsorship: These awards are funded through IDREF and are made possible by the generosity of the worldwide members of the ICOI and corporate contributors.

Grant Application

Procedure: Awardees are selected, after a blind review of submitted applications, by an independent Scientific Advisory Board.

Award Date: IDREF awards for 2018 will be made by March 31, 2019.

DEADLINE:

Applications must be submitted by December 31, 2018.

Applications are available on the ICOI website at www.icoi.org.
