ICOI WORLD CONGRESS XXXVII
NEW YORK, NY
August 15-17, 2019

You could feel the energy and excitement at the ICOI World Congress XXXVII, August 15-17, 2019. The city that never sleeps did not disappoint. In the heart of Times Square, the New York Marriott Marquis was the host hotel for this event where hundreds of attendees from around the globe were present to learn from some of the best clinicians in implantology.

A special thank you to our event sponsors:

PLATINUM SPONSORS: Augma Biomaterials and Glidewell Dental

GOLD SPONSORS: Biotech Dental, Dental Implant Technologies, Impladent, Ltd., and Planmeca

SILVER SPONSORS: Salvin Dental Specialties and NextLevel Practice

Thursday, August 15th began with the following pre-congress courses conducted by our sponsors. Thank you, sponsors, for your contribution and support in making this event a success.

Glidewell Dental and Dr. Randy Resnik presented: Surgical and Prosthetic Considerations for the Full-Arch Zirconia Prosthesis

Augma Biomaterials and Dr. Amos Yahav presented: Bone Graft Cements: A Turning Point in the Augmentation Field

Continued on next page
The afternoon session on Thursday, August 15th, showcased our Young Implantologists program. Speakers and topics included:

- Drs. Zahra Bagheri (New York, New York) Various Ridge Augmentation Techniques for Atrophic Ridges
- Jehyun David Chong (Flushing, New York) Predictable Treatment Flow of Maxillary Anterior Esthetic Zone
- Michele Buda (Treviso, Italy) The Digital Evolution, Adapt to Survive
- Ahmad Kutkut (Lexington, Kentucky) Maxillary Sinus Augmentation Using Mesenchymal Stem Cells, What is the Evidence?
- Teruaki Homma (Tokyo, Japan) Predictable Digital Treatment in the Anterior Esthetic Zone
- Roque B. Oliveira (Sesimbra, Portugal) Predictability and Long-term Success of Implant Dentistry
- Loana Tovar Suinaga (Louisville, Kentucky) Overcoming Soft Tissue Complications During Restorative Procedures in Implant Dentistry
- Mai Lan Tran (Paris, France) The Big Digital Dentistry Theory in Implant Dentistry
- Jose R. Cayarga (Marroquin, Guatemala) Surgical and Restorative Considerations for Implants in the Aesthetic Area

Thursday evening, all delegates attended our Welcome Reception, which featured our very popular Tabletop & Poster Competition. There were 23 poster presenters and 8 table clinic presenters. Thank you to all participants!

Presenters included:

- Dr. Nidhi Agnish (Chandigarh, India) More Digital; More Precision; More Perfection
- Dr. Reem Alghamdi (New York, NY) POSTER: Maxillary Sinus Augmentation Success in Cases of Schneiderian Membranes with Focal Thicknesses – 32 case series
- Dr. Adam Barsoum (New York, NY) POSTER: CBCT and Periapical Conflict: Myth or Reality
- Dr. Chang Soo Choi (New York, NY) POSTER: Clinical Significance of Customized Ridge Splitting Technique in Horizontally Atrophic Posterior Maxilla
- Dr. Akhila Damodar (Bangalore, India) Hemi-maxillary Reconstruction with Implant Supported Prosthesis
- Dr. Inés Fernández Guallart (Brooklyn, NY) POSTER: Surgical and Restorative Considerations for Implant Treatment in Cleft Palate Cases. 4 Case Series
- Dr. Georgios Giakmis (Halandri, Greece) POSTER: Surgical Treatment of Severe Peri-implantitis with Use of PRP and PRF
- Dr. Eduardo Gonzalez (New York, NY) POSTER: A Novel Technique in Harvesting a Connective Tissue Graft
- Dr. Kelly Gonzalez (Fort Lauderdale, FL) POSTER: Implant Restorative Solution Using Intraoral Scan Bodies
- Dr. Phurin Hansakul (New York, NY) POSTER: CBCT Based 3D Printed Models for Surgical Dental Implant Simulation
- Dr. Wataru Hatakeyama and Dr. Hisatomo Kondo (Morioka, Japan) POSTER: Clinical Consideration of Maxillary Anterior Teeth Root and Bone Morphology of Japanese Using By CBCT
- Dr. Parnward Hengjeerajaras (New York, NY) POSTER: Surgical Strategies for Implant Placement in Medically Compromised Patient
- Dr. Raed Kadi (New York, NY) POSTER: Clinical Application of Customized Ridge Splitting Technique for Anterior Esthetic Implants
- Dr. Takahito Kakumoto (New York, NY) POSTER: A Clinical Technique to Prevent Further Pneumatization After Sinus Augmentation
- Dr. Supreet Kapoor and Dr. Parminder Singh Grover (Ludhiana, India) POSTER: Mathematics in Implantology

Continued on next page
Dr. Daniel Kim (Wheeling, IL) Application of A.S.C. (Angle Screw Channel Abutment) for Screw Retained Prosthesis

Dr. Tanatcha Kukiratirat (New York, NY) POSTER: Strategic Treatment Sequence for An Esthetically Failed Implant

Dr. Santosh Kumar Bangalore Balaram (Bangalore, India) A Two-Piece Implant Placed in the Augmented (Allogenic) Bone & Connected to Natural Teeth: A Case Report with 5 Years Follow Up

Dr. Kristina Su Lin Lim (Perth, Australia) Custom Healing Abutments in Implant Dentistry

Dr. Martin Leung (New York, NY) POSTER: Histological Findings of Customized Alveolar Ridge Splitting Technique in Fresh Extraction Site

Dr. Xinggang Liu (Beijing, China) POSTER: Implant Restoration of Posterior Single Tooth with On1 Base

Dr. Martin Man and Dr. Astha Patel (New York, NY) POSTER: Analog/Digital Workflows Used to Address the Emergence Profile in the Implant/Restorative Continuum

Dr. Noboru Obata (Kyoto, Japan) POSTER: Recovery at Sinus Site Using Implant Fixture Remover Kit

Dr. Viraj Patel (New York, NY) POSTER: Immediate Implant Placement and Immediate Provisionalisation - Revisited

Dr. Natacha Reis (New York, NY) POSTER: Last Resort for Posterior Mandible Implant Treatment - Implant Placement Lateral to Inferior Alveolar Nerve: 14 Case Series

Dr. Alan F. Robinson (Clinton Township, MI) POSTER: Full Mouth Rehabilitation Utilizing Minimally Invasive Implantology

Dr. Radwa Saad (Hamilton, NJ) Effective Use of CBCT in Implant Treatment Planning and Guided Surgery

Dr. Nilesh Salgar (Canada) Conventional & Custom Conometric All-on-4 Prosthetic Rehabilitation

Dr. Ovidiu Stamatin (Iasi, Romania) Methods of Application of Biomechanical Analysis in Implant- Prosthetic Therapy Planning

Dr. Buddhathpoom Wangsrimongkol (New York, NY) POSTER: A Technique to Accurate Localizing Screw Access Hole in Cement-Retained Implant Restoration

Dr. Ken Yoshida (Yokohama, Japan) POSTER: Application of CGF and Sticky Bone Graft In Implant Procedure ~ Case Performed SFE and LISA

The winners were announced Saturday morning from the main podium. First Place: Dr. Radwa Saad; Second Place: Dr. Buddhathpoom Wangsrimongkol, Third Place: Dr. Kelly Gonzalez. Congratulations to all!

Friday morning, the main podium lectures began with “What Really Matters Today: Critical Forward Thinking” with Dr. Nicolas Elian. Dr. Michael Pikos followed with, “Sinus Grafting 30 Years: Myths and Realities” and after a short break, Dr. Peter Fairbairn continued the session with “True Host Bone Regeneration; A Clinical and Scientific Review of New Synthetic Particulates.” Dr. Dean Vafiadis concluded the morning lectures with “Digital Technologies: Implants, Aesthetics and Occlusion.” After lunch, Dr. Eduardo Rodriguez captivated the audience with his lecture titled, “Transforming the Face of Reconstructive Surgery”. Dr. Ady Palti and Dmitrii Kisel, MDT then reviewed “Digital Dental Solutions in Implant Practice: From Single Tooth to Full Arch: A Step by Step Review.” The final two speakers of the day were Dr. Thomas Giblin followed by Dr. Alvaro Ordonez who spoke about “Harnessing the Force: Implant Biomechanics and Occlusion” and “Digital Occlusion and 4D Mandibular Dynamics in Implant Dentistry”, respectively.

The Awards Ceremony was held immediately after the last lecture on Friday. Our delegates who received their advanced credentials were honored.
Proudly obtaining the highest award that the ICOI offers were these 19 DIPLOMATES WHO ARE SHOWN WITH THEIR CERTIFICATES AND MEDALLIONS:

Dr. Wisdom Akpaka  
Coral Springs, FL

Dr. Demi Athans  
Sturbridge, MA

Dr. Bao Chuan Chen  
Taipei, Taiwan ROC

Dr. Chieh Yuan Cheng  
Kaohsiung, Taiwan ROC

Dr. Hsu-Kuang Chung  
Hsin-Chu County, Taiwan ROC

Dr. Samuel First  
Merrick, NY

Dr. Brian Hoffman  
Sarasota, FL

Dr. Wei-Te Huang  
Taipei, Taiwan ROC

Dr. Benoit Lapointe  
Lachine, QC Canada

Dr. Steven Lee  
Blacklick, OH

Dr. Pai-Shien Liao  
Douliu, Yunlin Taiwan ROC

Dr. Aaron Mangum  
Alexandria, LA

Dr. Lucas Mantilla  
Center Valley, PA

Dr. Tien Ngo  
Richardson, TX

Dr. Niran Pathmaperuma  
Curtin, Australia

Dr. Kuo-Shu Peng  
New Taipei City, Taiwan ROC

Dr. Edward Scott  
Greensboro, NC

Dr. Ali Raza Syed  
Lahore, Pakistan

Dr. Jonathan Wong  
Toronto, ON Canada

PRESENTED WITH THEIR CERTIFICATES AND MEDALLIONS WERE OUR 8 NEWEST MASTERS:

Dr. Santosh Kumar Bangalore Balaram  
Bengaluru, Karnataka India

Dr. Bryant Barrows  
Mc Rae, GA

Dr. Kelly Gonzalez  
Plantation, FL

Dr. Ee Lian Lim  
Kuala Lumpur, Malaysia

Dr. Fernando Quevedo  
Delray Beach, FL

Dr. Edward Scott  
Greensboro, NC

Dr. Basim Shakir  
Chicago, IL

Dr. Jakobus Venter  
Bundaberg West, QLD Australia

RECEIVING THEIR FELLOWSHIP CERTIFICATES WERE THE FOLLOWING 143 DELEGATES:

Dr. Talal Alali  
Pittsburgh, PA

Dr. Akil Alexander  
Minneapolis, MN

Dr. Christopher Allington  
Devonshire, Bermuda

Dr. Sherri Alpert  
Suffern, NY

Simon Amir, DMD  
Ocala, FL

Dr. Aatif Ansari  
Indianapolis, IN

Dr. Jason Aptaker  
Manasquan, NJ

Dr. Demi Athans  
Sturbridge, MA

Dr. David Baranowski  
Cary, NC

Dr. Bryant Barrows  
Mc Rae, GA

Dr. Richard Bastien  
Tallahassee, FL

Dr. Virginia Batista  
Miami, FL

Dr. Bethany Beniek  
Port St. Lucie, FL

Dr. Yudah Benmergui  
Surfside, FL

Dr. Praveena Bhat  
Nashua, NH

Dr. Aman Bhullar  
San Jose, CA

Dr. Fabrizio Bianchi  
Mount Albert, ON Canada

Dr. Jorge Bonilla-Argudo  
Mayaguez, PR

Dr. Alexander Brao  
Gainesville, FL

After the awards ceremony, our ROARING 20s THEMED GALA began. Attendees showed up in themed attire ready to party the night away and enjoyed an extensive array of cuisine, drinks and desserts. We were fortunate to begin the event with a special guest performance by jazz bass legend, Ron Carter. His timeless music was particularly appreciated by the multiple jazz connoisseurs in the crowd. Thank you to Ron Carter for an amazing performance.

ICOI Co-chairman Dr. Kenneth Judy, took the opportunity at the gala to announce the new ICOI President and President-elect. Dr. Michael Pikos was thanked for his service as he stepped down from the ICOI Presidency and Dr. Senichi Suzuki of Japan was inaugurated as our new President. Dr. Tom Giblin from Australia was also welcomed as President-elect. Congratulations to all!

Following this announcement, our DJ who did not disappoint, kept the evening going with festive music which led to dancing well into the night. Thank you to everyone who attended this sold out event. If you were not able to attend, please get your tickets early next time to be sure you will be with us.

Saturday morning began with Dr. Ramesh Chowdhary and his discussion of “Lets Simplify Full Mouth Rehabilitation”, followed by Dr. Alain Simonpieri addressing “From the Biology to the Esthetic: Full Arch Immediate Loading, the State of the Art.” After a short morning break, Prof. Dr. Robert Sader covered “Peri-implant Bone Augmentation: A Science-Based Approach to Success Factors” and Dr. Robert Marx finished up the morning session with his lecture, “Use of Progenitor and Stem Cells for Bone Regeneration.”

Dr. Jack Roth began the last session of the event with “Tooth or Implant: Predicting Success in 2019.” Dr. Konstantinos Valavanis reviewed “Single Implant Therapy in the Aesthetic Zone: What Really Matters Today?” and finishing up the day was Prof. Senichi Suzuki with “Extension of Healthy Life with Implant Treatment Especially with Photofunctionalized Immediate Loaded Implant: The Role of Implants in Super Aged Society” and Prof. Dr. Georgios Romanos with “Biology and Practice of Bone Grafting”.

Thank you to everyone from around the world who made this event a great success.

“One of the reasons our meetings are so successful is due to the efforts of our staff. Thank you, Betty, Tara, Ada, Pamela, Jennifer, Nicole, Rachel and Sayuri!”

Sincerely, Dr. Judy

We look forward to seeing you at the Marriott Marquis Houston in Houston, Texas for ICOI’s Winter Implant Symposium, February 27-29, 2020. For more information, please visit www.icoi.org.
ADIA Program in New York, NY - August 2019

New York City was host to the ICOI/ADIA World Congress XXXVII last August. The world class event was held at the Marriott Marquis Hotel right in the heart of Broadway. The main podium featured outstanding speakers from around the world and the ADIA continued in its tradition of providing the most up to date dental implant education for the entire auxiliary team.

The Congress began on Thursday with the entire dental team listening to the impressive line-up of Young Implantologists. At the end of the day, attendees enjoyed cocktails and appetizers at the cocktail reception while turning their attention to colleagues who presented table clinics and posters. The 40 plus presenters from around the globe showcased their skill and knowledge to an attentive audience of their peers.

On Friday, the ADIA podium program featured an outstanding array of speakers who shared their knowledge and entertained with their personal stores. The meeting continued Saturday with the highly acclaimed ADIA Advanced Certification courses. The certification courses are specifically designed for assistants, hygienists, practice managers and implant coordinators and provide attendees with an abundance of knowledge making them an integral and indispensable part of the dental implant team. The certification courses are also the pathway to ADIA fellowship, the most advanced of ADIA credentials. Auxiliaries who have attained ADIA fellowship have demonstrated their commitment and dedication to implant dentistry and are often asked to speak on the ADIA main podium.

Please join us in Houston Texas for the ICOI/ADIA World Winter Symposium scheduled for February 27-29, 2020. The meeting will feature a fantastic group of speakers and clinicians that will enhance your daily practice. I hope to see you all there!

Kind regards,

Avi Schetritt, ADIA Executive Director

**Price does not include shipping or applicable taxes.** We accept digital impressions from most major implant systems. Scanning abutments are available at glidewelldirect.com.

**Inclusive Custom Abutment warranty includes replacement of abutment at no charge, including a Hahn™ Tapered Implant if needed.**

Prescribe **Inclusive® Custom Abutments** for:
- **NEW** milled grooves for improved crown retention
- Angle correction and flexibility in implant positioning
- Ideal margin placement for ease of cement cleanup

Prescribe **BruxZir® Screw-Retained Crowns** for:
- Simplified, cement-free restoration delivery
- Proven resistance to chips and fractures
- Limited interocclusal space; ease of retrieval

**$299* per unit**
Complete with all parts and labor

($259** from digital file using scanning abutments)

With over 2 million implant cases restored, Glidewell is here to serve your needs with restorations that seat quickly and precisely — whatever the indication.

Hundreds have attended several study clubs over the past few months. Topics included peri-implantitis, soft and hard tissues augmentation, and esthetic zone considerations. There were also symposia held in Nanjing and Beijing, which were in cooperation with Nanjing Private Dentists Association and Beijing University of Stomatology.
“Thank you for sending a great lecturer like Dr. Alvaro Ordonez to Guatemala, everyone was very impressed with his lecture. We hope we can continue to work closely together with ICOI.”

– Dr. Jose Rodrigo Cayarga, Director Postgrado de Implantes, Universidad Francisco Marroquin.

We looking forward to seeing everyone at next year’s symposium on April 25-26, 2020 at Nippon Dental University (NDU) in the center of Tokyo where Scientific Chairs Dr. Noriaki Homma and Prof. Chie Yanai, from the Implant Department of NDU, will organize the 2-day event.
Currently the International Congress of Oral Implantologists (ICOI) is sponsoring two (2) journals, Implant Dentistry (ID) and the International Journal of Oral Implantology (IJOI). ID will cease publication at the end of 2019 with its December issue, Volume 28 Number 6.

As of Volume 12, Issue 3 of the International Journal of Oral Implantology (IJOI), Dr. Craig M. Misch will be the new Editor-in-Chief. ICOI’s Executive Committee unanimously approved his recommendation to head IJOI which is published by Quintessenz, Berlin, Germany. The IJOI will represent the ICOI including (9) active component societies and twenty-seven (27) active affiliate societies.

Dr. Misch received his dental degree from the University of Michigan in 1985 graduating Omicron Kappa Upsilon. He then obtained postgraduate certificates in prosthodontics and oral implantology as well as a Master of Dental Science from the University of Pittsburgh. Thereafter Dr. Misch acted as Director of the University of Pittsburgh Oral Implantology Center. He completed specialty training in oral and maxillofacial surgery in Pittsburgh and is board certified by the American Board of Oral and Maxillofacial Surgery as well as the American Board of Oral Implantology. ICOI’s Advanced Credentials Committee recommended that ICOI Fellow Dr. Misch be awarded Honorary Diplomate status.

Dr. Misch is a Clinical Associate Professor at the University of Florida, University of Alabama at Birmingham and University of Michigan. He has served on the editorial boards of several journals and has been an Assistant Editor for many years at Implant Dentistry (ID). In conjunction with Quintessenz, Dr. Misch has selected an extremely active International Review Board and an extremely rigorous review process. Personally, he has published extensively on the topics of reconstructive surgery, bone augmentation, implant surgery and prosthodontics. Dr. Misch is active in clinical research and is a member of the advisory board for the Michigan-Pittsburgh-Wyss Regenerative Medicine Resource Center. He practices as a dual specialist in Sarasota, Florida.

We look forward to working with Dr. Misch as he takes on this new role.

---

**Triarmada Triathlon in Switzerland**

*Dr. Antonio F. Coppel, Jr, (at left) participated in the World Triathlon Championships Age Groups held in Lausanne on the 31st of August. He was part of the Spanish Age Group Team. The “Triarmada” had very good results.*
