## ICOI RESEARCH & EDUCATION FOUNDATION

Accepting Grant Applications  
for Research & Education in  
Implant Dentistry

**Objective:** To encourage individuals, who, through basic research or educational initiatives in the field of implant dentistry, contribute to the advancement of the profession and the oral health of the world community.

**Award and Recognition:** IDREF will provide \$25,000 in seed grants in 2020. Awardees will be announced at an ICOI symposium and published in ICOI's World News.

**Sponsorship:** These awards are funded through IDREF and are made possible by the generosity of the worldwide members of the ICOI and corporate contributors.

### Grant Application

**Procedure:** Awardees are selected, after a blind review of submitted applications, by an independent Scientific Advisory Board.

**Award Date:** IDREF awards for 2020 will be made by March 31, 2021.

### DEADLINE:
